EVENTO SPONSORIZZATO DA:

The image is a promotional banner for Polis. At the top center is the Polis logo, which consists of the word "Polis" in a bold, white, sans-serif font. The letter "i" is replaced by a stylized icon of a classical building with a pediment and columns. The logo is set against a bright orange background. Below the logo is a photograph of a modern, bright interior space, possibly a cafe or a lounge, with a white counter, stools, and a large window looking out onto a green outdoor area. The floor is made of light-colored wood or stone tiles. Below the photograph is a white text box containing the address and contact information. On either side of the central image are two vertical columns of colored rectangular buttons, each containing a product category name in white text. The left column has five buttons: red, pink, magenta, purple, and blue. The right column has five buttons: green, light green, yellow, and orange.
